

We are looking for some NEW dancers, as young as 3, to join our dance teams!

Does your child dance around the house performing all the time? Is your child at least 4 years old? Have we got a program for you! We have designed 8 different teams, starting with our itty bitty 3 year olds, created for the dancer that loves to perform. **No experience necessary!**

Ages 3-9: For our youngest teams, there is no experience necessary. We are just looking for dancers who can follow directions, love to perform and love to dance. If your child is able to pay attention in a regular dance lesson, then dance team will be a breeze. We try to keep the commitment to a minimum for our little ones and focus on having fun and building self confidence with great performance opportunities.

Ages 10-up: If you love to perform and love dancing, you will love dance team! For our older teams, we do require dancers to currently be at an intermediate to advanced class level. Please ask your teacher if team is something you're ready for! For our top middle school/high school teams, the commitment level is equal to the commitment for most junior high and high school sports.

COMMITMENT:

Our youngest dancers 3 teams are required to take 1-2 classes per week. The other teams are required to take 3-5 hours of classes per week. Our top middle school and high school dance teams require 5-7 hours per week. Team dancers perform 1-2 times a month Nov-May. Monthly tuition starts at \$50 for our youngest dance team, this includes all required classes. -Dance team members also attend our fun Dance Camp August 6-10 and attend 2 competitions in the spring. (one local and one in Fargo)

GUIDELINES:

The attached Dance team guidelines will explain everything you need to know about dance team. We will also be holding an informational meeting for anybody that would like to learn a little more about what dance team is all about! Join us Tuesday, May 1st at 6:30pm at the studio!

AUDITIONS:

Our audition process is stress-free and fun! Auditions will be held at the Let's Dance on Saturday, May 12th. An early audition for dancers unable to attend the May 12th audition will be held Thursday, May 10^h at 7:30pm (workshop required for those attending early try-outs)

Itty Bitty, Dazzlers (3-8) 10am

Dance-nationals, Dance Connection (5-12) 11am

Showstoppers, Ovations, Dream Teens (8-up) 12pm

Senior (12-up) 1pm

Our goal is not to reject anyone. Dancers perform a fun routine in groups, and based on that we place them in the team that fits them best. Our dance teachers or office staffs are the best ones to ask if you are not sure! We don't want anyone disappointed! With all of our teams, we are sure to find a spot for every young dancer and most of our older dancers! If you would like to try team, please sign up on the dance team audition sign up sheet in the lobby.

The Dance team guidelines must be read by and signed by both the parent and dancer, stating each has read them.
Please read through the guidelines and bring this form to auditions.

PRACTICE POLICIES

To keep the routines looking good and stress free, dancers need to attend their required classes and performances regularly. It is understood that we will not get a perfect attendance in the summer months due to vacations but ask that dancers try and attend as many classes as possible. There are no refunds for missed classes, but you may make up a class by attending additional ballet classes. Besides the scheduled weekly classes, we will be having extra practices to prepare for upcoming performances. We usually have extra practices right before we perform a dance for the first time and before big events like State Football Game. **An extra practice before a performance must be attended or the dancer will not be prepared for the performance and cannot perform.**

COMPETITION REQUIREMENTS

The best part of the year is when the dance teams get to show off their talents at the annual competitions. This is such a wonderful experience and great confidence booster for all dancers. The competition is all about making everyone feel a winner and a lesson in teamwork! Dance teams compete at 1-3 local competitions a year. Fees for competition are approx \$45.00 per dancer, per routine. Competition must be attended by all team members. Our competitions are usually announced by June, but have generally been the 3rd or last week of April and first week of May.

PERFORMANCES

Teams perform at many different events throughout the year. The performances look the best when all dancers are in attendance. When dancers are absent, teachers must take extra time to redo formations and music counts which can be stressful on the other dancers. Dancers should attend performances regularly. Reminder you must attend the practice before a performance to be able to perform.

COSTUMES

Costumes fees are \$95.00 each. (Senior may have additional fees depending on costumes and accessories.) Each team will have 2 costumes this year. Senior Company will have 3. Due in June and July. These costumes are purchased by you and are yours to keep. Please note: Occasionally there are additional fees for props/accessories for a routine for regular teams.

AUDITION RESULTS

The results will be posted on our site www.letsdancestudio.com by Sunday, May 13th. Dancers who make the team MUST email letsdance@midconetwork.com by Tues, 15th and accept their spot on the team. If a dancer does not accept their spot by the end of Tues, May 15th, the dancer will be taken off the list and the next dancer on the list will be added to the team and notified. If you have concerns about your child's placement, please do not hesitate to call. Jenny will be open to visiting with anyone who needs clarification.
